

HOSPITAL INFECTION SOCIETY – INDIA

Secretariat: Dept. of Microbiology, Indraprastha Apollo Hospitals, Sarita Vihar, New Delhi 110 076

Election Rules and Regulations of Hospital Infection Society – India

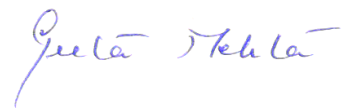

Qualification for National Executive Council

As per constitution of the Society, (Hospital Infection Society – India) the **National Executive Council** consists of **12 members** of which **three shall be Clinicians, two shall be Medical Administrators, seven members should be Microbiologists**, one should be an ICN & one CSSD manager.

Only those Life members of the Society who have completed at least four (04) years of life membership, shall be eligible to contest the election or to propose or second the candidature of any member.

Each nomination should be duly proposed and seconded by a Life member of HIS-India and the candidate should give consent for the same. Process of nomination and approval by proposer and member seconding the application must be done online. All particulars contained in the Nomination form should be correctly filled up.

The election process is available online on HISI website <https://www.hisindia.net>. Members are advised to first update their personal profile on the website before initiating the process of nomination. They should also ensure that personal profiles of proposer and member seconding the nomination are updated online. Protocol for voting process will be displayed on HISI website and sent through email once nominations are obtained.

(Dr. Geeta Mehta)
Election Officer, HISI (2019)
